PETITION, June 16th 2021 SAVE VAUCLUSE BOWLING CLUB

Our local club is in danger of potential change of use. Help send a message that you support the Vaucluse Bowling Club and greens preserved.

December 1964

Please sign the petition to affirm that:

- We value the open spaces, views and leisure that the bowling greens provide to locals and our senior citizens.
- We want the space preserved for all locals to enjoy, not privatised for exclusive use.
- We do not support any development that will increase traffic and further reduce car parking for locals.
- We value the history of the club, the clubhouse and the veterans who built it with £5 debenture notes.
